FINANCIAL AGREEMENT AND AUTHORIZATION FOR TREATMENT

We are committed to providing you with the highest level of service and quality care. If you have medical insurance, we will strive to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and understanding of our financial policy. Ultimately, however, any and all financial liability rests with the patient.

Our office participates with most major insurance plans. We provide **MEDICAL and SURGICAL** ophthalmologic care to our patients, as well as **Routine Eye Exams**.

It is the patient's/parent's/guardian's responsibility to:

1. Bring insurance cards and picture ID to ALL visits.
2. To know what my co-pay, co-insurance and deductibles are.
3. Have copayment and/or any payment that may be due at the time of service

I understand that if I am unable to make payment (co-pay, co-insurance, deductible) at the time of service or provide a picture or Insurance card that my appointment may be rescheduled and subject to a \$35.00 additional billing fee.

Refractions:

Refraction is the process of testing an individual's ability to see an object at a specific distance. The test involves looking through a device called a phoropter to read letters or recognize symbols on a wall chart through lenses of differing strength which are contained within the device to determine your best corrected visual acuity. It is an essential part of an eye examination and is necessary in order for us to completely evaluate your ocular health. This procedure may result in a new prescription or a change in your present prescription for glasses. This procedure is also necessary to determine your contact lens prescription as well. Since this is a **non-covered charge** with Medicare and most Medical Insurance companies, it is a billable fee of **\$100.00** and we offer a discount if it is paid at the time of service. I understand that I am responsible for this fee and it is due at the time of service.

Non-Covered Services:

I understand that some services may be considered non-covered services by my insurance plan. I understand that it is my responsibility to know what my insurance does or does not cover and I understand that I am financially responsible for paying all non-covered services.

Past due balance:

We appreciate prompt payment in full for any outstanding balance. All accounts are considered past due if not paid within 90 days of service. If your account is turned over to our collection agency, you agree to pay any fees imposed by the collection agency in order to collect the overdue amount. Past due accounts may result in the refusal of future appointments until all balances have been paid in full. The practice does not accept postdated checks.

Return Check Policy:

Any check payments that do not clear will be subject to a \$55 returned check fee.

Vision Plans:

The practice participates in a number of vision plans. It is your responsibility to know which vision plans are accepted and which physician participates in the plan. I understand that some medical plans do have routine benefits; however, sometimes these vision benefits are with a different carrier than your medical plan. We may be participating providers with your medical plan but not your vision plan. You are responsible for contacting your carrier to verify your benefits and whether the practice is a provider for both your medical and vision plan. Our practice cannot bill your Vision and Medical plans on the same day of service.

Medical Insurance Plans:

If we are not a participating provider with your insurance plan, I understand that I will be responsible for filing my own claims and I will be responsible for paying in full at the time of service. .

Medical Insurance Referrals:

I understand that if my insurance company requires a referral form for treatment that it is my responsibility to obtain this referral prior to my appointment. If the required referral form is not received, I understand that my appointment will be rescheduled until such time as the referral can be obtained.

Forms and Fees:

There is a charge for completing/ processing any medical record release request or forms (employment, disability, life insurance, DMV, etc). This charge is determined by the complexity of the form, letter, or communication. Prepayment is required prior to completing forms, or for extra written communication by the doctor.

Missed Appointments:

All eye exam appointments not cancelled within 24 hours of appointment are subject to a \$50 no show or cancellation fee. All Laser Surgery appointments not cancelled within 24 hours are subject to a \$100.00 no show or cancellation fee.

By Signing below I am acknowledging that I have read and understand the above financial policy
